WHO WAS WILLIAM BRANHAM?

Brother William Branham was a humble and beloved brother with a Commission from God. He was born in Burkesville – Kentucky on 06 April 1909 at 5 a.m. At his birth the same pillar of fire that accompanied him throughout his life appeared over his head while he was in the arms of his mother and a dove cooed on a tree outside. His grandmother and father were eyewitnesses of this event.

At the age of 7 years when he was carrying water for his father, he rested under a big tree and felt like a wind blowing. He looked around and noticed that the vegetation was motionless, but when he looked up that tree where he had rested, he saw that there was a whirlwind inside the tree, and a deep Voice came out saying: "don't smoke or drink nor defile your body in any way, because when you grow older I have a work for you to do". The young man was frightened and dropped the bucket to the ground and ran home to her mother screaming from fear. During the years that followed, these events continued to happen in his life and God was preparing a worldwide ministry. He has not only worked as an evangelist, but was a prophet like the prophets of the Bible. The visions continually came and accurately revealed many things, but to him everything was unexplainable. After his conversion to the Lord Jesus Christ, he asked many preachers concerning visions, and all in unison responded that they happened only at the time of the Apostles.

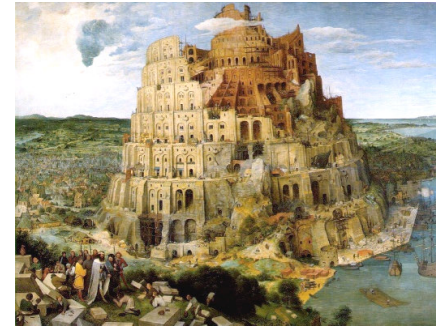

COME OUT OF BABYLON!

But such statements completely contradicted the Bible, "for gifts and callings are without repentance" (ROM. 11: 29). The Prophet Joel said, "After this it shall come to pass that I shall pour out my spirit on all flesh; your sons and your daughters will prophecy, your old men shall dream dreams, your young men shall see visions "(Joel 2: 28). Brother Branham was saddened by the fact that the clergy and the pastors considered the visions to be of the days gone by; or to be from the devil instead of God, despite the fact that what he saw and prophesied was always fulfilled 100%. No longer wanting to live this way, he wanted an explanation directly from God, so he said good-bye to his wife and children and told them that he would go up the mountain where he usually went for prayer, until God would give an answer. On 07 May 1946 around 23: 00 hours he was in an old mill praying and reading the Bible, when all of a sudden he saw a light enter the room where he was. Wondering who it could be at that time of the night and in that remote place; the light increasingly got stronger and then he realized that it was not an electric light. At that moment he heard human footsteps and he saw toes of a man enter that light, and a human figure appeared in front of him. Brother Branham was shocked and frightened, but the same deep voice that had accompanied him from childhood told him: "do not fear. I am sent from the presence of the Almighty God to tell you that your peculiar life and your misunderstood ways were to indicate that God has sent you to bring a gift of divine healing to the people of the world. If you can be sincere, and make people believe you, nothing will stand before your prayer, not even cancer. " Amen!

(A row of sick people in South Africa for the prayer of faith. All were healed.)

In this present chapter we will talk about a very important and delicate biblical subject. Revelation 18:4 says, "*and I heard another voice from heaven saying, 'come out of her, my people, that you be not partakers of her sins, and that you receive not of her plagues'*".

The Voice is that of the Lord Jesus, that is the voice of the Word of God who calls every living thing to come out of everything which is Babylon. Historically and Scripturally modern Babylon is Rome. Whenever a church organizes itself and is called denomination it becomes a Babylonian system, from which God asks us to come out. Man has always tended to create a kind of a Tower of Babel (Gen. 11: 4), but the Lord always has the tendency to pull out his people from any form of organized religion and Babylonian system, whether Catholic or Protestant.

The modern time is that of Union and it fulfils Matthew 13° where the tares are tied together in bundles to be burned. This is happening in the world today, where different Churches and religions are coming together in a great Ecumenical Council, but the great chapter of John 17 speaks to us of another unity, one of the sons of God in Christ Jesus. Amen! I know that everyone can say that they are not in Babylon, but I want to encourage you to verify your position with the word of God. A position accepted by God is only what He himself confirms day after day in your life (Gal. 2: 20; 1° Corinthians 15: 31).

You might wonder why God would send the Prophet Elijah at the end time? For the simple reason that, he does not change (MAL. 3: 6), just as his first coming was forerun by John the Baptist, even in his second coming He has sent Elijah Prophet of his day, with a message to prepare the way. On the 11 of June 1933 at 14: 00 while Bro. Branham was baptizing the 17th person in the River Ohio, U.S.A., something extraordinary happened. In the clear sky a bright Light of fire appeared and a powerful Voice came from it: "As John the Baptist was sent to forerun the first coming of Christ, so you shall be sent with a message that will forerun the second coming of Christ". The people fell to the ground and were scared, and brother Branham said, "this portion ' is done not for me, because I believe, but for you".

Friend/ reader let me encourage you to read messages preached by brother Branham, because since the Bible times there has never happened anything supernatural of this magnitude. We have the privilege of being able to see the biblical times in our midst. Doesn't this makes you happy? "Jesus Christ is the same yesterday, today and forever" (Hebrews 13: 8).

By these scriptures, we can conclude that the Elijah of Malachi 4:5 has already come in a powerful ministry of Prophet and brother William Branham. The coming of a prophet is a blessing because Jesus himself said: "therefore, behold, I am sending you the prophets" (Matthew 23: 34a), this does not mean to take the place of the Saviour Jesus Christ, but is nothing more than the fulfilment of the prophecies. Many confuse the whole event by looking at prophet like one who takes the place of Jesus. But this can't happen ever if a prophet is really sent by God. Brother Branham said: "do not look at the Messenger but the Message that God sent". Then we do not put your eyes on brother Branham but on the work that God has made through him. Even today this verse is true: "listen, o Judah and you who dwell in Jerusalem! believe in the Lord your God, and ye shall be established; believe in his prophets, and you shall prosper "(II Chron. 20: 20).

THE PROPHET OF GOD

The pillar of fire has accompanied the children of Israel (NUM. 9: 15-23) and the servants of God over the millennia. The Lord manifested himself in this way according to the words of the Apostle Paul: "because our God is a consuming fire" (Hebrews 12: 29). In fact Saint Paul knew what he was speaking about because he himself had experienced it on the road to Damascus: "it happened that, while he was journeying, he came near to Damascus, and suddenly a light from heaven shined round about him" (acts 9: 3). Jesus Christ has not changed (Heb. 13: 8) and even at this time was expressed in this way, because another Prophet has been raised on Earth (Ezekiel 33: 33). On 20 January 1950 in Houston, Texas, the same pillar of fire appeared on the head of the Rev. William Branham in the presence of more than 8000 people as the only Supernatural confirmation of a direct mandate from the Almighty God. Amen! Photo below:

To take away any doubt, those responsible at the time analyzed the photo and sent it to George J. Lacy of the F.B.I., an expert in the field of examining questionable documents. The inspector issued a document which testified with full certainty that the photo was 100% genuine, and no retouching or tampering had been done.

The photo was and is a confirmation that the message brought forward by the Prophet and brother Branham was directed by God, and his people should listen to him. The commission of the Lord did not end in 1950 but went ahead with his Messenger in bringing the word of God to the world. On 28 February 1963 while brother Branham stood upon the mountains of Arizona, something truly extraordinary happened. What happened was reported in the popular magazine LIFE, not by brother Branham, but by scientists who knew nothing about the supernatural which followed this humble man of God. In the sky above Tucson a cloud appeared, 48 Km high and 44km wide. Never an event of this magnitude was successful in church history. Within this cloud you can clearly see the face of the Lord and white 7 Angels around his head. Jesus has already told us that there were signs in the sky and so it was. Brother Branham was caught up within this Cloud to the terrifying height, and the commission that he received was: "go towards the east, back to Jeffersonville where you came from, because it is high time to open the seven Seals". Amen!

(You can plainly see the face of the Lord inside the Cloud: acts 1: 9)

HAS THE ELIJAH OF MALACHI 4:5 COME?

Malachi 4: 5 speaks of the coming of the Ministry of Prophet Elijah to turn the hearts of the children to the fathers. This part has been applied on John the Baptist only, but if we search in Scripture, we see that that John had also the spirit of Elijah as mentioned in Luke 1: 17: "and will go before him in the spirit and power of Elijah, to turn the hearts of the fathers to the children", but the ministry of Malachi 4: 5-6 instead says "will turn the hearts of the children to the fathers". While John the Baptist turned the hearts of the fathers to the children of Israel, the Prophet Elijah of the end time instead will turn the hearts of the children of this generation to Apostolic Fathers as mentioned in acts 2: 42a "They continued steadfastly in the doctrine of the Apostles" (acts 2: 42a). The Apostles "sons" became "fathers". When the Pharisees asked John the Baptist: "art thou Elijah?" They were good scholars in the Bible, they meant to know if he was fulfilling all the parts of Malachi 4: 5-6, and John answered: "no!" (John 1: 9). In fact after this part, the end will come. Jesus himself talking about John in Matthew 11: 10 refers to the part of Malachi 3: 1a "Behold, I send my Messenger to prepare the way before me." To confirm this part we can read in Matthew 17 where the disciples were still waiting for Elijah and Jesus said 2 things: "Elijah truly must first come and restore all things. But I tell you, Elijah has already come ... " We understand clearly that the teacher spoke of the coming of two Elijah ministries, one had come and the other was still to come. Because John the Baptist did not restore everything as said by Jesus in vers. 11, but just announced the coming of the Lamb (John 1: 36), while the restoration of all things happens under the ministry of Elijah of Malachi 4: 5, just before the second coming of Jesus. About this point the scriptures say: "who the Heaven must receive up to the times of restoration of all things, which God spoke by the mouth of all his holy prophets since the world began" (acts 3: 21).
